Subject: Application for the post of junior Web Developer.

Dear Sir/Madam,

I wish to apply for the position of junior Web Developer as advertised in BD JOBS on 28th March,2020 caught my attention.

I am a recent graduate of the B.sc in Software Engineering program at Daffodil International University. My extensive knowledge of HTML,CSS3,Bootstrap,Javascript,Php and SQL.During my university life I have developed many project.Such as E-commerce web application, Cryptocurrency web application,library management System.For develop those project I get highly appreciate by our honorable course teacher.I have been working as a web developer at Gromming Technologies for 3 month during my university life and during that time I have revamped web security applications,designed and developed a user friendly website,and trained over 50 staff members in internal web functions.

I'm interested in working for Datasoft Systems Bangladesh Limited because I want to further my own knowledge and interest in web development, and hope I'll be able to offer new ideas to help Datasoft Systems Bangladesh Limited reach and surpass the primary objectives mentioned in its job adv. I believe that my knowledge and skills will help me contribute a great deal to your company.

Kindly spare me 10 minutes of your time to discuss the future of your company strategy. You can contact me anytime over phone: +01797348221 or Email: chandanojha917@gmail.com

Thank you so much for your time .Looking forward to meeting you soon.

Sincerely Yours

Chandan
